## K.I.D.S.

This program is designed to add another level of security by voluntarily issuing an ID wristband to children of all ages, their guardians and/or adults with special needs. The wristband will contain the guardian's name and contact information.

Kid ID Stations will be operational on Saturday, May 27 and Sunday, May 28 from 8 a.m. until 7 p.m. at Fifth, Eighth, 10 and 13 streets at Lummus Park. Each station will have a City of Miami Beach tent, portable sign and will be staffed with Goodwill Ambassadors. Ambassadors will maintain a spreadsheet with the guardian's name and contact information. This program is a free service for visitors and residents.
